

Rodney Gonsalves

Vice President, Agilent Corporate Controller and Principal Accounting Officer

Rodney Gonsalves is Agilent Technologies' Corporate Controller and Principal Accounting Officer, responsible for the company's accounting and financial reporting functions.

Gonsalves has held a variety of senior management roles in both business and corporate finance at Agilent. He was most recently vice president and operational CFO of the company's Life Sciences and Applied Markets Group, the organization that houses the majority of Agilent's instrumentation and software for analytical laboratories.

Prior to that, he was operational CFO for Agilent's former Life Sciences and Diagnostics Group; operational CFO for the former Chemical Analysis Group; Vice President, Investor Relations; and Controller, Corporate Governance and Customer Financing.

Gonsalves joined Hewlett-Packard Co.'s finance organization in 1990. A graduate of California State University, Fresno, he received his master's degree in business administration from Santa Clara University.
