RE: 2015 Assurance Statement

Hi Apoorva:

Below please find DEKRA's assurance statement for the 2014 report.

**This statement attests that DEKRA Certification can provide reasonable assurance the claims regarding environmental, health, safety and social responsibility (EHS&SR), as they relate to Agilent-identified suppliers, found in this Agilent Corporate Citizenship Report 2015, are correct. In 2015 DEKRA performed global audits of Agilent-identified suppliers. These suppliers were found to be in compliance with, or have provided corrective actions to become compliant with, Agilent's stated EHS&SR program, including but not limited to: policies regarding worker safety, environmental safety, Ozone Depleting Compounds (ODC), and policies that strictly forbid and prevent any and all acts of human trafficking or slavery as those terms are used in the *California Transparency in Supply Chains Act of 2010*, California Civil Code, section 1714.43. Additional sites were audited for compliance to Restriction of Hazardous Substances Directive (RoHS) 2002/95/EC**
